## Index: Volume 42 January-December 1985

### Makeup of volume 42

Month	Pages	June	273-328
January	1-56	July	329-384
February	57-108	August	385-440
March	109-160	September	441-488
April	161-216	October	489-544
May	217-272	November	545-600
		December	601-656

### A

#### Accident report:

Annual Report on rail safety in 1983	42
Annual Report on rail safety in 1984	635
Bromley Junction, SR / Collision at	44
Cadder, ScR / Fire at	202
Chester, LMR / Derailment at	201
Eccles, LMR / Collision at	458, 586
Holborn, LRT / Collision at	201, 370, 529
Lindsey Oil Terminal, ER / Oil tank train accident at	139
Micheldever, SR / Oil tank train accident at	139
Paddington, WR / Derailment at	587
Parks Bridge Junction, SR / Collision at	44
Polmont, ScR / Derailment near	252
Safety on BR: it it good enough?	361
Statistics / Selected accident	43, 636
Warrington, LMR / Oil train accident at	139

#### Airports and airlines:

'Air ferry' for rail passengers in Canada	536
airline competition / BR counters	279
Gatwick Express tops 40% of airport travel	169
Gatwick first-year figures	336
London Airports Inquiry recommends rail links	63
rail links under review / Airport	459
Stansted rail links	147

#### Alan Williams' column:

47, 68, 120, 173, 267, 284, 376, 434, 480, 500, 581, 641	
--	--

#### Alan Williams' column replies:

17, 74, 145, 176, 179, 254, 313, 314, 315, 368, 371, 424, 450, 452, 557, 637, 638, 640	
--	--

#### Albania:

construction progress / Rail	153
extensions and traffic developments / Rail	264
UIC / A new member of	48

#### Association of County Councils:

rail closure procedures / ACC joins AMA over	6
--	---

#### Australia:

Axle counters for long haul lines	373
block trains / Two-man agreement for	462
Brisbane / Developments in costs and more freight / Reduced equipment orders / New	373
fare offer / 'Two for one'	102
'Gold Coast' / Rail again for New South Wales / Electrification in	373, 430
NSW / Manning disputes in	264
NSW XPT cars ordered / More	645
NSW / XPT fares reduced in	319

NSW / XPT service cancelled in Newcastle / Improved connection with	536
Ore from the outback	373
Perth / Modernised DMU services from	241
Queensland / Traffic increases in Victoria / More rail passengers in Victoria / XPT plans for	373
Wollongong electrification / December opening for	319

#### Austria:

Brenner route / Tunnel enlargement on	645
Cardphones in trains	536
computer records / Renumbering for	430
Electrifying a link with Italy	319
High speed test runs	153
Linz / Underpass at	102
Linz / Vandalism at	536
results / Encouraging half-year	48
Semmering base tunnel study	265

### B

#### Belgium:

Brussels Metro extension	430
Guided light transport vehicle	430
Livery for ETH locomotives	102
Public response to new services	462
Radio communication	153
Roving through Belgium	98
Steam and electric veterans return	319

#### Brazil:

Mineral railway opened	265
Sao Paulo / 'Bike park' in	153

#### British Rail:

accidents continues / Run of advertising campaign launched / New	63
Advertising: Class 37 in 'Police' livery	114
Advertising: 'Getting there' shows results	457
airline competition / BR counters	335
Airport links under review	279
American opposition grows / 'Buy	459
Annual Report: Extraordinary items	223, 425
cloak improvements	458
arches / Rising	224
Area Manager: One Man's Day

Bridge stress research: Where no work is cheapest of all	528
British Rail Engineering: 'Having cake and eating it' (Railtalk)	333
BREL and Modern Railways coach design competition	514
BREL / Chinese mission at	498
BREL jobs / Reducing workload costs more	334
BREL Swindon development fund	171
BREL to build X2 power cars?	555
BREL wins Mexico contract	394
BREL wins wagon repair contract	338

Business Sectors challenge BR's engineers	21
catering? / making hash of new	278
catering cake / Minister over-eggs	115
Charter trains	74
civil servants told / Travel 'second' class of their own / In a	224
Class 15X Sprinter build approval opens way to orders / 1987	147
Class 47 / High adhesion	606
Class 59s / Operating the	555
Class 87 / 2 'Electra' / Three suitors for	283
Class 87 / 2 takes centre stage	228
Class 87.260? / Three-phase drive for	556
Class 89 takes shape	167
Class 91 'Electra' locomotive	119, 225, 255, 337, 391, 426, 556, 640
Class 142 handed over / First	335
Class 142 widebody bonus	339
Class 143 units / Plan of	225
Class 151: a technical description	250
coach? / Is this the age of the coal strike: BR counts the cost? / 'The (Railtalk)	141
Coal strike cost BR £200million in 1984	222
complaints / Concern over TUC	62
conference market / goes for	335
cow catchers / The efficacy of	391
Crew: Complete Renewal of Existing Worn-out Equipment	74
Crew re-opened on time	526
Crew's revised layout	459
Day of action damages — BR considers unions' reply	20, 531, 640
Deltic / The ultimate	390
DMU / revises spec for 23m	405, 528
DMU design challenge	395
DMU / Is it worth waiting for a 23m	119
DMU policy not yet set	339
DMUs authorised / More	228
DMUs sought / More lightweight	115
Diesel renewal: does naivete still rule the BR roost?	555
disabled / Progress made on aid for the	482
DOO confrontation likely	390
DOO dispute diary	390
drink-drive proposals / rejects	494
Inspectorate's	
drivers' / 'Helping the (Railtalk)	608
Expenditure White Paper forecasts	605
reverse	114
fares set to rise / BR and LRT	6
First-class senior citizens	19
first-class youngsters / Potentially	178
garden festival travel / man heads	63
Holidays by rail in the British Isles in 1985	256, 368
HST equipment problems / gets	550
£7million	550
HST re-engining still live	172
HST ride quality / Restoring	395
Industrial relations: still no peace	550
Industrial relations turmoil	
continues	457
infrastructure costs / Allocating	145
Investment: The ones that got away	465

'Keeping the trains running — at all costs' (Railtalk)	165
Level crossing safety	7, 452
loco renewal plans / outlines	166
Management: 'Beware the mega-Area' (Railtalk)	549
Mk3 vehicles / Automatic doors for (Memorandum)	169, 368
Mast erection twice as fast	528
Passenger services' performance (Memorandum)	496, 640
pay claim / RSNT rules on TSSA	457
pay — 5% without strings offered / Rail	223
performance specification / drags feet over true	465
performance specifications / Competitive procurement against (Memorandum)	458
Permanent way standards	
(Memorandum)	279, 424
POIS poised for introduction	278
Prestel / Booking via	551
privatise more bought-in services / to 63	
Procurement runs into politics	611
Productivity: 'Right on substance, poor on presentation' (Railtalk)	493, 638
Property Board today / The	398
PSO and 1985-6 cash ceiling / 1984-5	223
PSO claim agreed / 1985-6	551
radio in 'ahead of schedule' / Train	460
Rail performance	150
railbuses authorised and ordered / More	606
Railcard holders / Discount offered to	63
Refurbishment: Part exchange welcome?	395
Royal train up-date includes armour	223
Safety: 'Kitemarked' EMUs?	533
soccer fans / Plans to segregate more	116
Staff rewarded for bright ideas	390
'Starlight Specials': Moonlighting ticket issuing / Mechanisation of ticket restrictions / Fine tuning	75
Timetable ghost stations	426, 531, 559
Timetables 1985-6	290, 357, 427
tourist business / Push for	334
Track occupation	75, 180
traction and train crew policy for the 1990s / Shaping BR's	354, 451, 558
Union litigation — ScotRail to take lead?	277
Urquhart resigns	334
US diesels / Chairman impressed by	172, 228
VATman swoops on sausage roll	607
wage claim — waiting on McCarthy / TSSA	277
wagon maintenance order goes outside BRE / First	608
Watford Junction complete	554
York war memorial	74
<b>Bulgaria:</b>	
Thyristor control adopted	373

# C

## Canada:

'Air ferry' for rail passengers	536
anniversary of railways / 150th	645
BC Rail considered / Extensions to	431
BC Rail first quarter results	265
BC Rail results / First	153
British Columbia / Record traffic in	206
CP Rail capital programme /	49
Record	645
CP Rail container railcar / New	49
Fares increase	206
LRC trials (and troubles)	536
LRT in Canada	463
Locomotives ordered	463
Montreal / Maintenance depot for	645
Mount Macdonald / Tunnel alignment	373
under	153
Selkirk / Double-tracking in the	431
Tourist service resumed	374
transcontinental services / Report	373
on	153
VIA Rail high-speed proposal	431
VIA Rail services restored	49
VIA's future / Warnings sounded on	148, 371

## Central Transport Consultative Committee:

CTCC / The (Memorandum)	115, 253, 313
InterCity strategy / cautious on	65
punctuality / BR still concerned on	496

## China:

British transport delegation advises	280
locomotives ordered / Heavy freight	374
'Silk Road' / Revival of the	645

## Civil engineering:

Crewe's revised layout	20, 526, 531, 459, 640
Rail fasteners	503
Rail performance	150
Sleepers	582
technology in 2001 — promise and reality / Railway	509

## Congo Republic:

Congo — Ocean cut-off opened	645
------------------------------	-----

## Containers:

Berlin / Accelerated container services to	207
box containers cleared for rail / 2.5m-wide	395
container railcar for CP / New	49
container traffic / Growing	462
Freightliners' rosy future at	190
Felixstowe	430
Intercontainer / Articulated wagons for	264
Intercontainer / Record traffic for	409
Liner crane takes to the rails	135
Technical advance in US	630
Temple Mills Yard 1985 / Railfreight at the sharp end:	321, 538
two-tier container trains / US	

## Cuba:

Railway renewal	102
-----------------	-----

## Czechoslovakia:

Interfrigo / joins	536
Motive power policy	536
Prague — Vranany electrified	319, 427

# D

## Denmark:

Copenhagen / LRT proposal for replacement policy / Changes in DSB	592
---	-----

# E

## Electrification:

Australia:	265, 373, 430, 536
Austria:	319, 427, 645
Belgium:	592
Canada:	49
Czechoslovakia:	319, 645

Finland:	49
France:	49, 50, 88, 206, 463
Germany, East:	463
Great Britain:	9, 10, 16, 64, 65, 119, 130, 166, 224, 229, 237, 278, 280, 336, 528, 552, 610, 621
Netherlands:	592
Pakistan:	155
Poland:	538
South Africa:	320
USSR:	266

# F

## Finland:

Car-sleeper to Lapland	153
Helsinki Metro extension	593
Juurikorpi-Hamina line opened / New	49

## For the record:

52, 104, 118, 209, 268, 318, 372, 436, 467, 534, 596, 652
---

## Forum:

16, 74, 145, 176, 253, 313, 368, 424, 450, 528, 557, 637
--

## France:

catering company / New	431
catering / French train	88, 472
Class 7100 withdrawals	374
Class 7400 locos with chopper control work Maurienne Valley	537, 640
Derailment and collision	593
electrification / More	49
Flaujac / Criticism follows head-on crash at	537
Freight track adapted for suburban traffic	537
Grenoble electrification celebrated	463
locomotives ordered / Synchronous-motor	102
Northern France / Modernisation in	128
Paris Metro extension opened	319
Paris-Nantes: Corail 200	88
Paris 'outer circle'	50
Paris services / More passengers on	593
Paris suburban developments	646
Paris third-rail routes	206
RER Line A / New stock for	153
Réseau system amalgamation	206
Saint-Pierre-du-Vauvray collision / The	537
Sleeping car withdrawals	463
tail lamps / Neon	431
timetables / Computer aid for traction control / Microprocessor	319
traction motor techniques / New	206
TGV Atlantic project / The	576
TGV developments	265
TGV Geneva nonstop service	206
TGV: Report from France	85
TGV success / Lille-Lyon	265
TGVs / More	177
VMI costs increase	265

## Freightliners:

Argos contract awarded	9
boxes cleared for rail / 2.5m-wide	395
Felixstowe / Freightliners' rosy future at	190
future of Freightliners / The (Memorandum)	63, 253
Liner crane takes to the rails	409
Masterhaul / First contract for	461
Overnight bag expansion	395

# G

## Gabon:

Trans-Gabon Railway in operation	207
The George Stephenson column:	101, 149, 205, 263, 317, 340, 433, 469, 535, 590, 649

## Germany, East:

anniversary celebrations / 150th	266
Berlin-Lichtenberg / Diversions to	320
Berlin Ost / Rebuilding	593
cross-border trains / Better	374
East Berlin station rebuilt	103
Electrification extended	463
freight trains / Express	646
locomotive building / Electric	103
narrow-gauge steam line! / Newly-built	50

Narrow-gauge steam on DR	207
Oebisfelde / Last steam at	103
Overhead inspection vehicles	266
Railway chronology in a timetable	593

## Germany, West:

Berlin / Accelerated container services to	207
'City-Bahn' trains / More	103
Class 111 delivered / Last	154
Class 120 locomotive / DB's new	309
Class 120 performances demonstrated	50
couchettes / Four-berth	50
Diesel sets for local traffic	646
High-speed conversion suspended	374
High-speed lines open in 1991	303
IC facilities extended	431
IC service improvements	50
IC services / More business for	320
IC'85	295
ICE test programme	593
ICE: three-phase with extras / The	311
ICE trailer cars	320
Karlsruhe-Basel reconstruction	375
level crossings / Abolition of	207
Line closure proposals	646
Locomotive naming	207
Locomotive rebuilt / Freight	375
Luggage porters return	103
Maglev project reorganised	266
Maglev speed record claim	103
Opening dates for new lines	154
organisation for local transport / New	537
palletised traffic / Wagon for	431
parcels / Door-to-door express	50
planning with security / DB:	293
'Rheingold' timetable changes	154
Schleswig-Holstein / Local transport in	463
Speed record by research train	538
Stuttgart S-Bahn extended south	646
Stuttgart S-Bahn tunnel	266
Wagon orders	538
wagonload growth / DB goes for	296
Wannsee line reopened	266
West Berlin / Hovertrain trials in	320

## Greater Manchester:

Class 142 PTE livery	437
Class 142s enter service	392
Councillors see new trains	64
DMU orange and brown livery	64, 157
Manchester / More stations for	410
Mills Hill opened	280
New Mills-Hazel Grove line approved	116
Smithy Bridge opened	497
'Windsor Link' scheme	278, 452, 531, 637

# H

## Home news:

6, 62, 114, 166, 223, 277, 334, 390, 457, 494, 550, 606
